

MUNCIE BASEBALL & SOFTBALL ASSOCIATION

Muncie Baseball & Softball Association (MBSA) is a non-profit organization that strives to offer an instructional, fun program for our players and their families. We emphasize good sportsmanship, teamwork, integrity and courtesy. For over 10 years, MBSA has been serving the youth of Muncie.

Your financial support is needed to continue providing quality baseball & softball to the youth of Muncie. Last season MBSA provided over 350 area youth an opportunity to play in an organized baseball and softball program. This year our program will continue to be affiliated with the Cal Ripken division of the Babe Ruth organization as well as with Babe Ruth Softball. We strive to keep individual fees affordable. As a result, we rely on our local businesses and organizations to help us provide the best experience possible for our participants. Each year the generosity of our sponsors helps us buy new baseball and softball equipment, purchase field maintenance products and buy supplies needed to keep our league running smoothly. We hope that we can count on you for your continued financial support!

There are a number of sponsorship opportunities available. All sponsorships are tax deductible. Your sponsorship is a very affordable means of advertising your business, both on our web site and on our uniforms and fields. Field sponsor signs are visible at our facility from May through the end of our fall ball season in October.
